

June Beach - Biography

June Beach is the owner and designer of Beach Haus Designs, The June Beach Collection and the Beach Princess Jewelry collections.

June has been designing jewelry and apparel to be sold in boutiques, department store, galleries in addition to teaching jewelry design and merchandising classes for over 20 years

June is one of the original 27 Create Your Style with SWAROVSKI ELEMENTS Ambassadors in the world and teaches jewelry design classes both in the USA and Internationally in addition to conducting showroom product demonstrations and workshops. She has been a guest designer for segments for the television show, Beads, Baubles and Jewels and is a published designer for magazines including covers. Her work has appeared in

Seventeen Magazine, People Style Watch, Woman's World, Canadian Beading, Art Jewelry, Jewelry Affaire, Somerset Studio, Bead Design Studio and Belle Armoire Jewelry just to name a few.

With a strong background in fashion and art design, June has worked as a successful designer, visual merchandiser, buyer and product designer for apparel, jewelry and accessories with some of the country's top retailers. June has a love for unique styling with fun, trendy color combinations that show in her jewelry designs that are sold in boutiques and stores around the world. She feels truly fortunate to have found success in a field that allows her so many creative opportunities and sparkling possibilities.
